(b) Pre-Tax Contributions and Roth Contributions shall begin as soon as administratively practicable following the date specified in the Salary Reduction Agreement, or, if later or if no date is specified, as soon as administratively practicable after the Salary Reduction Agreement is filed with the Administrator or the Vendor, as applicable.

(c) Pre-Tax Contributions and/or Roth Contributions shall reduce the Salary otherwise payable to a Participant and shall be paid in cash to the Vendor by the University, on a basis consistent with its payroll practices, as soon as administratively feasible after being withheld from the Salary of a Participant, but no later than 15 business days following the end of the month in which such amount is withheld from the Salary of the Participant.

Pre-Tax Contributions shall be allocated to the Pre-Tax Contribution Account of the Participant as of the date of contribution. Roth Contributions shall be allocated to the Roth Contribution Account of the Participant as of the date of contribution.

(f) A Participant may change his or her election to make Pre-Tax Contributions and/or Roth Contributions at any time by filing a new Salary Reduction Agreement with the Administrator or the Vendor, as applicable. Any such changes shall be effective as soon as administratively practicable following the date specified in the new Salary Reduction Agreement, or, if later, as soon as administratively practicable after the Salary Reduction Agreement is filed.

(g) A Participant may terminate his or her election to make Pre-Tax Contributions and/or Roth Contributions at any time by filing the Applicable Form with the Administrator or the Vendor, as applicable, which shall be effective as soon as administratively practicable after the Applicable Form is filed.

(h) An election to make Pre-Tax Contributions and/or Roth Contributions shall not be valid with respect to any period during which the Participant is not an Employee. No election to make, change, or discontinue Pre-Tax Contributions and/or Roth Contributions shall be given retroactive effect.

(i) The Administrator may establish additional nondiscriminatory rules and procedures governing the manner and timing of elections by Participants to make, change, or discontinue Pre-Tax Contributions and/or Roth Contributions.

Section 4.02. Automatic Pre-Tax Contributions.

(a) Notwithstanding Section 4.01 or any other provision of the Plan, an Eligible Employee described in Section 3.02(c) shall be deemed to have elected to contribute each pay period Pre-Tax Contributions to the Plan in an amount equal to 5% of his or her Salary; provided, however that the preceding sentence shall not apply if, within a reasonable period of time (pursuant to policy established by the Administrator, which shall be uniformly applied on a nondiscriminatory basis) after receipt of the notice described in paragraph (b) below, the Eligible Employee affirmatively elects to make, or not to make, Pre-Tax Contributions or Roth Contributions under the Plan pursuant to Section 4.01.

(b) Within a reasonable period before the beginning of each Plan Year or, in the Plan Year in which an Eligible Employee described in paragraph (a) is first eligible to make Elective Deferrals to the Plan, within a reasonable period before automatic Pre-Tax Contributions to the Plan are made on behalf of such Eligible Employee, the University will provide notice to the Eligible Employee that explains: (i) the amount of the automatic Pre-Tax Contributions that will be made on behalf of the Eligible Employee in the absence of an affirmative election; (ii) the Eligible Employee's right to modify or terminate automatic Pre-Tax Contributions, including the procedures for exercising the Employee's right to make an affirmative election; (iii) how automatic Pre-Tax Contributions will be invested in the absence of the Eligible Employee's investment instructions; and (iv) the Eligible Employee's right to make a withdrawal of

automatic Pre-Tax Contributions under Section 9.02 and the procedures for making such a withdrawal.

(c) Automatic Pre-Tax Contributions under this Section 4.02 shall remain in effect until the Participant affirmatively elects to modify or terminate automatic Pre-Tax Contributions by filing the Applicable Forms under Section 4.01.

(d) Automatic Pre-Tax Contributions shall reduce the Salary otherwise payable to a Participant and shall be paid in cash to the Vendor by the University, on a basis consistent with its payroll practices, as soon as administratively feasible after being withheld from the Salary of a Participant, but no later than 15 business days following the end of the month in which such amount is withheld from the Salary of the Participant.

(e) Automatic Pre-Tax Contributions shall be allocated to the Pre-Tax Contribution Account of the Participant as of the date of contribution.

(f) Automatic Pre-Tax Contributions shall be invested in a default Investment Option described in Section 8.03 until such time that the Participant makes an affirmative investment election with the Vendor on the Applicable Form.

(g) The Administrator may establish additional nondiscriminatory rules and procedures governing the administration of automatic Pre-Tax Contributions.

Section 4.03. Rollover Contributions to the Plan.

(a) Subject to the Investment Arrangements, Participants who are Employees may transfer to the Plan as a Rollover Contribution a distribution from a Code Section 401(a) (including 401(k)) or 403(a) qualified plan (excluding after-tax contributions), a Code Section 403(b) plan (excluding after-tax contributions), a Code Section 408 individual retirement account or annuity, or a Code Section 457(b) eligible deferred compensation plan which is maintained by an eligible employer described in Code Section 457(e)(1)(A). Any Rollover Contribution (i) shall be subject to the Vendor's determination, in its discretion, that the Rollover Contribution satisfies all applicable requirements of the Code and (ii) shall be made directly from such prior plan, or if such amount was distributed to the Participant, such Rollover Contribution shall be made within 60 days after the Participant receives the rollover amount.

(b) The Plan shall accept a rollover contribution to a Roth Contribution Account only if it is a direct rollover from another Roth elective deferral account under an applicable retirement plan described in Code Section 402A(e)(1) and only to the extent the rollover is permitted under the rules of Code Section 402(c).

(c) A Rollover Contribution shall be allocated to the Rollover Contribution Account of the Participant as of the date of the contribution. Before a Rollover Contribution is made, the Participant shall designate on the Applicable Form the Investment Options in which the Vendor should invest the Participant's Rollover Contribution.

Section 4.04. In-Plan Roth Rollovers.

(a) Any portion or all of a Participant's Vested Account (other than a Roth Contribution Account) is eligible for direct rollover to the Participant's Roth Contribution Account under the Plan, even if the Vested Account is not otherwise distributable (pursuant to Code Section 402A(c)(4)(E)) under Article IX of the Plan), and the transfer shall be treated as a qualified rollover contribution (within the meaning of Code Section 408A(e)) to the Participant's Roth Contribution Account.

(b) A Participant's election under this Section 4.04 shall be subject to the reasonable administrative procedures established by the Administrator, Code Section 402A(c)(4) and the regulations thereunder, and subsequent guidance from the Internal Revenue Service.

(c) The taxable portion of the Participant's Account directly rolled over to a Roth Contribution Account under this Section 4.04 shall be included in the Participant's gross income in the tax year in which the transfer occurs.

(d) To the extent required by Code Section 402(f), the Administrator shall provide written information regarding in-Plan Roth rollovers under this Section 4.04, for amounts that are otherwise distributable under Article IX.

Section 4.05. Leave of Absence. During a paid leave of absence, Pre-Tax Contributions and/or Roth Contributions shall continue to be made for a Participant on the basis of Salary paid by the University during the leave. No Contributions shall be made during an unpaid leave of absence.

Section 4.06. Expenses of Plan. All reasonable expenses of administering the Plan shall be charged against and paid from the Participant's Accounts, subject to the terms of the applicable Investment Arrangements, unless paid by the University. The Administrator shall have the right to allocate expenses associated with maintaining the Accounts of terminated Employees to such Accounts, even if no expenses are allocated to the Accounts of active Employees, in accordance with rules promulgated by the Internal Revenue Service.

ARTICLE V.
LIMITATIONS ON CONTRIBUTIONS

Section 5.01. Elective Deferral Limits.

(a) The maximum amount of Elective Deferrals to the Plan for any calendar year shall be limited to the applicable dollar amount as provided in Code Section 402(g)(B)(1). The applicable dollar amount is \$19,500 for 2020, increased thereafter by the Cost of Living Adjustment.

(b) A Participant who attains age 50 or more by the end of the calendar year, and who is contributing up to the applicable dollar amount under paragraph (a), may make additional Elective Deferrals under Code Section 414(v) of up to \$6,500 for 2020, increased thereafter by the Cost of Living Adjustment.

Section 5.02. Excess Elective Deferrals. Excess Elective Deferrals resulting from Elective Deferrals made on behalf of the Participant to this Plan and to any other 403(b) or 401(k) plan maintained by the University or a Related Employer (or, to the extent timely requested by the Participant, to any other 403(b) or 401(k) plan maintained by any other employer) shall be distributed along with Allocable Income to the Participant no later than the April 15th following the calendar year in which the Excess Elective Deferral was made. Such distributions shall be made in accordance with the rules under Code Section 402(g) and the regulations thereunder.

Section 5.03. Code Section 415 Limits.

(a) Notwithstanding any provision of the Plan to the contrary, Annual Additions to the Plan and any other Code Section 403(b) plan maintained by the University or a Related Employer (or, if required by Code Section 415 and the regulations thereunder, to any other defined contribution plan) for a Participant in a Limitation Year shall not exceed the limitations set forth in Code Section 415(c), except to the extent permitted under Code Section 414(v).

(b) The Code Section 415(c) limit for any Limitation Year is the lesser of:

(1) \$57,000 for 2020, increased thereafter by the Cost of Living Adjustment;
or

(2) 100% of the Participant's Includible Compensation.

Section 5.04. Excess Annual Additions.

(a) If as of the end of the Plan Year, the Annual Additions allocated to any Participant's Account exceed the limitations of this Article V, the Excess Annual Additions will be corrected as permitted under the Employee Plans Compliance Resolution System (or similar Internal Revenue Service correction program).

(b) In any Plan Year, in the event Contributions would exceed the Code Section 415(c) limitations, an adjustment to comply with this Article shall be made as soon as administratively practicable, but no later than the time permitted under Internal Revenue Service to any plan maintained by the Participant or another employer that is required to be aggregated under Code Section 415(c) with the Plan.

(c) If a Participant has Excess Annual Additions for a Plan Year, an adjustment to comply with this Article V shall be made as soon as administratively possible, but no later than the time permitted under Internal Revenue Service guidance: (i) first, to any plan required to be aggregated with this Plan not described in (iii); (ii) second, to this Plan; and (iii) third, to the Indiana University Retirement Plan.

ARTICLE VI.
NONDISCRIMINATION

The Administrator shall take any actions necessary to comply with the nondiscrimination rules of Code Section 403(b)(12) and the regulations thereunder as applicable to the Plan.

ARTICLE VII.
ACCOUNTING

Section 7.01. Participant Accounts. The Vendor(s) shall establish and maintain adequate records to reflect the Accounts of each Participant and Beneficiary. Credits and charges shall be made to such Accounts to reflect additions, distributions, and withdrawals, and to reflect gains or losses pursuant to the terms of each Investment Arrangement. The maintenance of individual Accounts is for accounting purposes only, and a segregation of Plan assets to each Account shall not be required.

Section 7.02. Participant Statements. The Vendor(s) shall provide to each Participant a quarterly statement reflecting the value of the Participant's Account as of the end of each quarter, and shall provide similar information to the Administrator upon its request.

Section 7.03. Value of Account. The value of the Account of a Participant as of any valuation date is the value of the Account balance as determined by the Vendor. The valuation date shall be the last day of the Plan Year and each other date designated by the Administrator or Vendor in a uniform and nondiscriminatory manner. All transactions and Account records shall be based on fair market value.

ARTICLE VIII.
INVESTMENT OF CONTRIBUTIONS

Section 8.01. Vendors and Investment Options.

(a) All Contributions under the Plan shall be transferred to the Vendor(s) to be held, managed, invested and distributed in accordance with the provisions of the Plan and the Investment Arrangements as applicable. All benefits under the Plan shall be distributed solely from the Investment Arrangements, and the University shall have no liability for any such benefits other than the obligation to make Contributions as provided in the Plan.

(b) Participants' Accounts shall be invested in one or more of the Investment Options available to Participants from a Vendor(s) approved under this Plan, as selected by the Administrator and communicated to Participants. The current Vendor(s) are listed in Appendix A. The Administrator's current selection of Vendor(s) and Investment Options is not intended to limit future additions or deletions of Vendor(s) or Investment Options.

(c) A Participant shall have the right to direct the investment of his or her Accounts by filing the Applicable Form with the Vendor(s). A Participant may change his or her investment election as often as determined by the Vendor(s). A Participant may elect to transfer all or any portion of his or her Accounts invested in any one Investment Option to another Investment Option, regardless of whether offered by the same or a different Vendor, subject to the limitations of the Investment Arrangements, by filing a request on the Applicable Form with the Vendor(s) or by such other means that may be provided for by the Vendor(s). A Participant may also elect to transfer all or any portion of his or her Accounts invested with a Former Vendor to an Investment Option with a Vendor, subject to the terms of the Investment

Anangements. In no event, however, may a Participant transfer any portion of his or her Accounts invested in an Investment Option with a Vendor to an investment with a Former Vendor or any other vendor that is not eligible to receive Contributions under the Plan.

Section 8.02. Exclusive Benefit. Each Custodial Account shall provide for it to be impossible, prior to the satisfaction of all liabilities with respect to Participants and their Beneficiaries, for any part of the assets and income of the Custodial Account to be used for, or diverted to, purposes other than for the exclusive benefit of Participants and Beneficiaries.

Section 8.03. Default Investments. If a Participant does not have a valid and complete investment direction on file with the Vendor on the Applicable Form, Contributions will be invested in a default Investment Option selected by the Administrator in its sole and absolute discretion, until the Participant makes an affirmative election regarding the investment of his or her Account.

ARTICLE IX. **DISTRIBUTIONS**

Section 9.01. Commencement of Distributions.

(a) A Participant or, if applicable, a Beneficiary, shall be eligible to receive a distribution of his or her Vested Account under the Plan upon the Participant's Severance from Employment, death, or attainment of age 59½.

(b) The distribution restrictions in paragraph (a) do not apply to Pre-Tax Contributions to the Plan prior to January 1, 1989 (not including earnings thereon), provided such Pre-Tax Contributions are separately accounted for under the Plan.

(c) Subject to the terms of the Investment Arrangements, Participants may elect to have either Pre-Tax Contributions or Roth Contributions distributed from the Plan first. Unless provided otherwise under the terms of the applicable Investment Arrangement, if the Participant fails to make an election, Pre-Tax Contributions will be distributed from the Plan first.

(d) Subject to the terms of the Investment Arrangements, a Rollover Contribution Account may be distributed to a Participant at any time, to the extent that Rollover Contributions have been separately accounted for by the Vendor.

(e) If a Participant has a Severance from Employment solely because he or she is performing service in the uniformed services as described in Code Section 3401(h)(2)(A), and the Participant receives a distribution under the Plan because of such Severance from Employment, the Participant may not make Elective Deferrals to the Plan for the six month period beginning on the date of the distribution.

(f) A Participant or Beneficiary may submit a request for a distribution to the Vendor on the Applicable Form. The University shall certify that the Participant has had a Severance from Employment.

Section 9.02. Withdrawal of Default Elective Deferrals.

(a) No later than 90 days after an Eligible Employee's Salary is first reduced by automatic Pre-Tax Contributions under Section 4.02, the Eligible Employee may request a distribution of his or her Elective Deferrals.

(b) The amount to be distributed from the Plan upon the Eligible Employee's request is equal to the amount of automatic Pre-Tax Contributions made through the earlier of (i) the pay date for the second payroll period that begins after the Eligible Employee's withdrawal request and (ii) the first pay date that occurs after 30 days after the Eligible Employee's request, plus attributable earnings through the date of distribution. Any fee charged to the Eligible Employee for the withdrawal cannot be greater than any other fee charged for a cash distribution.

(c) Unless the Eligible Employee affirmatively elects otherwise, any withdrawal request will be treated as an affirmative election to stop having Elective Deferrals made on the Eligible Employee's behalf as of the date specified in paragraph (b).

(d) Automatic Pre-Tax Contributions distributed pursuant to this Section 9.02 shall not count toward the Code Section 402(g) limits.

Section 9.03. Form of Distribution.

(a) A Participant may elect to receive his or her Vested Account under any payment option available under the Investment Arrangement. Subject to the terms of the Investment Arrangement, these may include, but are not necessarily limited to, a single lump sum, annuity payments, and installment payments. All forms of payment shall be subject to the limitations of the Investment Arrangement.

(b) To the extent permitted by the Investment Arrangement, a lump sum payment of a Vested Account may be made without the consent of the Participant or Beneficiary if his or her Account balance does not exceed \$1,000 (determined without regard to his or her Rollover Contribution Account), unless the Participant elects to have such distribution paid directly to an eligible retirement plan specified by the Participant in a direct rollover or to receive the distribution directly in a lump sum.

(c) To the extent permitted by the Investment Arrangement, a lump sum payment of a Vested Account may be made without the consent of the Participant or Beneficiary if his or her Account balance exceeds \$1,000 but does not exceed \$5,000 (determined without regard to his or her Rollover Contribution Account), provided that such distribution shall be made in a direct rollover to an individual retirement plan designated by the Administrator, unless the Participant elects to have such distribution paid directly to an eligible retirement plan specified by the Participant in a direct rollover or to receive the distribution directly in a lump sum.

Section 9.04. Hardship Distributions. Hardship distributions are not permitted under the Plan.

Section 9.05. Reemployment. If a Participant who is a former Employee subsequently becomes an Employee again, the Participant cannot request a distribution of his or her Vested Accounts until he or she is again entitled to a distribution under Section 9.01.

Section 9.06. Death Benefits. If a Participant dies before the distribution of his or her entire Account, his or her remaining Account shall be distributed to his or her Beneficiary(ies) as soon as administratively practicable after the Participant's death, unless the Beneficiary elects a later payment date on the Applicable Form, subject to Code Section 401(a)(9). A Beneficiary may elect to receive the Participant's Account under any distribution option available under the Section 9.03, subject to Code Section 401(a)(9).

Section 9.07. Required Distribution Rules. The provisions of this Section 9.07 take precedence over any inconsistent provisions of the Plan or of any Investment Arrangement. All distributions under this Plan shall be made in accordance with Code Section 401(a)(9) and the regulations promulgated thereunder, including the incidental death benefit rules under Code Section 401(a)(9)(G), and shall comply with the following rules.

(a) Distributions may only be made over one of the following periods (or a combination thereof):

- (1) The life of the Participant;
- (2) The life of the Participant and a designated Beneficiary;
- (3) A period certain not extending beyond the life expectancy of the Participant; or
- (4) A period certain not extending beyond the joint and last survivor life expectancy of the Participant and designated Beneficiary.

(b) A Participant's Accounts shall be distributed to the Participant beginning no later than April 1 of the calendar year following the calendar year in which the Participant attains age 70½ or, if later, April 1 of the calendar year following the calendar year that the Participant has a Severance from Employment.

(c) Notwithstanding anything to the contrary in this Section 9.07, if the Vendor(s) separately accounts for Contributions made prior to January 1, 1987, then distribution of such Contributions (but not any interest accumulated with respect thereto) need not commence until April 1 of the calendar year following the calendar year in which the Participant attains age 75.

(d) Upon the death of the Participant, the following distribution provisions shall take effect:

- (I) If the Participant dies after distribution of his or her Account(s) begins, any remaining portion of the Account(s) shall continue to be distributed at least as rapidly as under the method of distribution in effect at the time of the Participant's death.

(2) If the Participant dies before distributions of his or her Account(s) begins and the Participant has no designated Beneficiary(ies), the Participant's Account(s) under the Plan shall be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(3) If the Participant dies before distributions of his or her Account(s) begins and any portion of his or her Account(s) may be payable to a designated Beneficiary, the designated Beneficiary may elect for the Participant's Account(s) to be distributed (i) by December 31 of the calendar year containing the fifth anniversary of the Participant's death, or (ii) beginning no later than December 31 of the calendar year immediately following the calendar year in which the Participant died, over the life of the designated Beneficiary or over a period not exceeding the life expectancy of the designated Beneficiary. If the designated Beneficiary is the surviving Spouse, the Beneficiary may elect to delay payment under item (ii) until December 31 of the calendar year in which the Participant would have attained age 70½. If the designated Beneficiary does not elect a method of distribution as provided above, the Participant's Account(s) shall be distributed in accordance with item (i).

(4) Any distribution required under the incidental death benefit requirements of Code Section 401(a) shall be treated as distributions required under this Section 9.07(d).

(e) Each Vendor shall be separately and solely responsible for complying with the provisions of this Section 9.07 with respect to its Investment Arrangements under the Plan. The Vendor(s) shall calculate the amounts required to be distributed to a Participant under this Section and notify such Participant of such distributions at least 60 days prior to the date distributions must begin.

Section 9.08. Additional Tax on Early Withdrawals.

(a) Generally, and except as described in paragraph (b), if a Participant receives any amount under the Plan, his or her tax for the taxable year in which such amount is received is increased by an amount equal to 10% of the portion of such amount which is includible in gross income. Such amount shall be included in gross income to the extent allocable to income on the Investment Arrangement and shall not be included in gross income to the extent allocable to the investment in the Investment Arrangement as provided in Code Section 72(e)(2)(b).

(b) The penalty described in paragraph (a) generally does not apply to any distribution (i) made on or after the date on which the Participant attains age 59½, (ii) made on or after the death of the Participant, (iii) attributable to the Participant becoming disabled within the meaning of Code Section 72(11)(7), (iv) which is part of a series of substantially equal periodic payments made (not less frequently than annually) for the life or life expectancy of the Participant or the joint lives (or joint life expectancies) of such Participant and his or her designated Beneficiary, (v) made to a Participant after Severance from Employment following the attainment of age 55, (vi) which is a qualified reservist distribution within the meaning of Code Section 72(t)(2)(G)(iii), or (vii) any other circumstance permitted by the Code or the Internal Revenue Service.

ARTICLE X.
LOANS

Section 10.01. Loans Generally.

(a) Subject to the terms of the Investment Arrangements, loans shall be available to a Participant who is an Employee from his or her Account. No loans shall be permitted from Investment Arrangements held by Former Vendors.

(b) Loans shall be subject to all applicable requirements and restrictions of the Code, including the provisions of Code Section 72(p) and the regulations thereunder.

(c) All loans shall be subject to the approval of the Vendor. The Vendor may charge a reasonable processing fee with respect to any loan.

Section 10.02. Loan Procedures. The Administrator or Vendor shall establish written procedures to govern Participant loans under the Plan, which may be amended from time to time. All loans shall comply with such procedures, and shall be administered subject to the terms of the applicable Investment Arrangement.

Section 10.03. Loan Limits.

(a) No loan to a Participant under the Plan may exceed the lesser of:

(1) \$50,000, reduced by the greater of (i) the outstanding balance on any loan from the Plan to the Participant on the date the loan is made or (ii) the highest outstanding balance on loans from the Plan to the Participant during the one-year period ending on the day before the date the loan is approved by the Vendor (not taking into account any payments made during such one-year period); or

(2) One-half of the value of the Participant's Vested Account (as of the valuation date immediately preceding the date on which such loan is approved by the Vendor).

(b) For purposes of paragraph (a), any loan from any other plan maintained by the University and any Related Employer shall be treated as if it were a loan made from the Plan, and the Participant's vested interest under any such other plan shall be considered a Vested interest under this Plan; provided, however, that the provisions of this paragraph shall not be applied so as to allow the amount of a loan to exceed the amount that would otherwise be permitted in the absence of this paragraph.

(c) The Administrator shall take such steps as appropriate to coordinate the limitations on loans, including collection of information from Vendors, and transmission of information requested by any Vendor.

ARTICLE XI.
VESTING

A Participant shall be 100% Vested in his or her Account at all times.

ARTICLE XII.
ROLLOVERS FROM THIS PLAN

Section 12.01. Definitions for this Article. For purposes of this Article, the following definitions shall apply.

(a) "Direct Rollover" means an Eligible Rollover Distribution that is paid directly to an Eligible Retirement Plan for the benefit of the Distributee.

(b) "Distributee" means a Participant, the Spouse of the Participant, the Participant's former Spouse who is an alternate payee within the meaning of Code Section 414(p)(8), and, effective January 1, 2008, a Participant's non-Spouse Beneficiary, any of whom is eligible to receive a distribution from the Plan.

(c) "Eligible Retirement Plan," as defined under Code Section 402(c)(8)(B), means:

- (1) an individual retirement account described in Code Section 408(a);
- (2) an individual retirement annuity (other than an endowment contract) described in Code Section 408(b);
- (3) a simple retirement account described in Code Section 408(p)(1) following the two year period described in Code Section 72(t)(6);
- (4) any annuity plan described in Code Section 403(a);
- (5) a plan described in Code Section 403(b);
- (6) a qualified plan described in Code Section 401(a);
- (7) a Code Section 457(b) eligible deferred compensation plan which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state; and
- (8) effective January 1, 2008, a Roth individual retirement account described in Code Section 408A(e), provided the Distributee's adjusted gross income does not exceed any limit applicable under federal law for the tax year in which the distribution occurs.

Effective January 1, 2008, in the case of a distribution to a Participant's non-Spouse Beneficiary, an Eligible Retirement Plan shall mean the plans described in subparagraphs (1) and (2) only, to the extent consistent with the provisions of Code Section 402(c)(11) and any successor provisions thereto or additional guidance issued thereunder.

(d) "Eligible Rollover Distribution," as defined in Code Section 402(f)(2)(A), means any distribution of all or any portion of the balance to the credit of the Distributee under this Plan, except that an Eligible Rollover Distribution does not include:

(1) any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the Distributee or the joint lives (or joint life expectancies) of the Distributee and the Distributee's designated beneficiary, or for a period of ten years or more;

(2) any distribution to the extent such distribution is required under Code Section 401 (a)(9);

(3) the portion of any distribution that is not includible in gross income; provided, however, a portion of a distribution shall not fail to be an Eligible Rollover Distribution merely because the portion consists of after-tax employee contributions that are not includible in gross income. However, such portion may be transferred only:

(i) to an individual retirement account or annuity described in Code Section 408(a) or 408(b), respectively, or to a qualified defined contribution plan described in Code Section 401(a) that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of the distribution that is includible in gross income and the portion of such distribution which is not so includible;

(ii) to a qualified defined benefit plan described in Code Section 401(a) or to an annuity contract described in Code Section 403(b), that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of the distribution that is includible in gross income and the portion of the distribution that is not so includible; or

(iii) to a Roth IRA described in Code Section 408A;

(4) any distribution which is made upon the financial hardship of the Participant; and

(5) other items designated by regulations, or by the Commissioner in revenue rulings, notices, or other guidance, as items that do not constitute an eligible rollover distribution.

Section 12.02. Direct Transfer of Eligible Rollover Distribution. A Distributee may elect on an Applicable Form to have an Eligible Rollover Distribution paid directly to an Eligible Retirement Plan as specified by the Distributee in a Direct Rollover, at the time and in the manner prescribed by the Vendor. An Eligible Rollover Distribution that is paid to an Eligible Retirement Plan in a Direct Rollover is excludable from the Distributee's gross income under Code Section 402; provided, however, if any portion of such Eligible Rollover Distribution is subsequently distributed from the Eligible Retirement Plan, that portion shall be included in gross income to the extent required under Code Section 402, 403, or 408.

Section 12.03. Mandatory Withholding of Eligible Rollover Distributions.

(a) If the Distributee of an Eligible Rollover Distribution does not elect to have the Eligible Rollover Distribution paid directly from the Plan to an Eligible Retirement Plan in a Direct Rollover pursuant to Code Section 401(a)(31), the Eligible Rollover Distribution shall be subject to a mandatory 20% federal income tax withholding under Code Section 3405(c). Only that portion of the Eligible Rollover Distribution that is not paid directly from the Plan to an Eligible Retirement Plan in a Direct Rollover shall be subject to the mandatory withholding requirement under Code Section 3405(e), and only to the extent such amount would otherwise be includible in the Distributee's taxable gross income.

(b) If a Distributee elects to have an Eligible Rollover Distribution paid to the Distributee, the distribution may be excluded from gross income of the Distributee provided that said distribution is contributed to an Eligible Retirement Plan no later than the 60th day following the day on which the Distributee received the distribution.

(c) If the Plan distribution is not an Eligible Rollover Distribution, said distribution shall be subject to the elective withholding provisions of Code Section 3405(a) and (b).

Section 12.04. Explanation of Plan Distribution and Withholding Requirements.

Not fewer than 30 days nor more than 180 days before an Eligible Rollover Distribution, the Vendor shall provide each Distributee a written explanation as required under Code Section 402(f), which explains the rules:

(a) under which a Distributee may elect to have an Eligible Rollover Distribution paid in a Direct Rollover to an Eligible Retirement Plan;

(b) that require the withholding of tax on an Eligible Rollover Distribution if it is not paid in a Direct Rollover to an Eligible Retirement Plan;

(c) that provide that a distribution shall not be subject to tax if the distribution is rolled over to an Eligible Retirement Plan within 60 days after the date the Distributee receives the distribution; and

(d) if applicable, certain special rules regarding taxation of the distribution as described in Code Sections 402(d) and (e).

Notwithstanding the above, a distribution may begin fewer than 30 days after the notice discussed in the preceding sentence is given, provided that the Vendor clearly informs the Participant that he or she has a right to a period of at least 30 days after receiving the notice to consider the decision of whether or not to elect a distribution and the Participant, after receiving a notice, affirmatively elects a distribution.

ARTICLE XIII.
PLAN ADMINISTRATION

Section 13.01. Authority of the Administrator. The Administrator shall have the authority to control and manage the operation and administration of the Plan. The Administrator

shall have all power necessary or convenient to enable it to exercise its authority under the Plan. The Administrator may provide rules and regulations, not inconsistent with the provisions hereof, for the operation and management of the Plan, and may from time to time amend or rescind such rules or regulations. The Administrator is authorized to accept service of legal process for the Plan.

Section 13.02. Powers of the Administrator. The Administrator shall have the power and discretion to construe and interpret the Plan, including any ambiguities, to determine all questions of fact or law arising under the Plan, and to resolve any disputes arising under and all questions concerning administration of the Plan. The Administrator may correct any defect, supply any omission or reconcile any inconsistency in the Plan in such manner and to such extent as the Administrator may deem expedient and, subject to the Plan's claim procedures, the Administrator shall be the sole and final judge of such expediency. Benefits are payable under the Plan only if the Administrator, in its sole and absolute discretion, determines the benefits are payable under the provisions the Plan.

Section 13.03. Delegation by Administrator. The Administrator may from time to time delegate in writing to a committee or any duly authorized officer certain of its fiduciary duties or other responsibilities under the Plan. Any such committee or officer delegated fiduciary duties shall be a fiduciary until the Administrator revokes such delegation. A delegation of the Administrator's duties or responsibilities may be revoked without cause or advance notice. To the extent permitted under applicable law, such committee or officer shall have the same power and authority with respect to such delegated fiduciary or other responsibilities as the Administrator has under the Plan. The Administrator shall not be liable for any act or omission of such fiduciary in carrying out such responsibilities.

Section 13.04. Employment of Consultants. The Administrator may employ one or more persons to render advice with regard to its responsibilities under the Plan.

ARTICLE XIV. **CLAIMS PROCEDURES**

Section 14.01. Requests for Information Concerning Eligibility, Participation and Contributions. Requests for information concerning eligibility, participation, Contributions, or any other aspects of the operation of the Plan, and service of legal process, should be in writing and directed to the Administrator.

Section 14.02. Requests for Information Concerning Investment Arrangements. Requests for information concerning the Investment Arrangement and its terms, conditions, and interpretations thereof, claims thereunder, and any requests for review of such claims, should be in writing and directed to the Vendor(s).

Section 14.03. Claim for Benefits. The Administrator or Vendor, as applicable, shall within a reasonable period of time after receipt of the claim, notify the claimant of its decision on the claim. If a Participant's claim is denied, in whole or in part, the Administrator or Vendor, as applicable, shall provide notice to the Participant, written in a manner calculated to be understood by the Participant, which shall include (i) the specific reasons for denial, (ii) specific

reference to the provisions of the Plan and/or Investment Arrangement on which the denial is based, and (iii) how to apply for a review of the denied claim, including the time limits for requesting a review. Where appropriate, the written denial shall also include a description of any information or material which is needed to complete or perfect a claim and why such information or material is necessary.

Section 14.04. Review of Denial. Within 60 days after the Participant receives notification of a denial, the Participant or the Participant's duly authorized representative may request in writing that the Administrator or Vendor, as applicable, review a denied claim. The Participant or the Participant's duly authorized representative may review pertinent documents and submit issues and comments in writing to the Administrator or the Vendor, as applicable. The Administrator or Vendor, as applicable, shall provide a written decision to the Participant on his or her appeal within a reasonable period of time following receipt of the Participant's written request for review.

ARTICLE XV. **AMENDMENT AND TERMINATION**

Section 15.01. Amendment and Termination of Plan. The Board shall have the right, in its sole and final discretion, to amend or terminate the Plan at any time and from time to time to any extent which it may deem advisable. A certified copy of the resolution of the Board taking such action shall be delivered to the Administrator and the Plan shall be amended or terminated in the manner and effective as of the date set forth in such resolution, and the Administrator, University, Employees, Participants, Beneficiaries, and all other persons having any interest under the Plan shall be bound thereby. The Board hereby delegates its authority under this Section to amend the Plan to the University's Vice President for Human Resources, provided, however, that unless an amendment is legally required under federal or state law, any amendment that materially increases the cost of the Plan or significantly changes the structure of the Plan shall be subject to the approval of the Board.

Section 15.02. Restrictions on Amendments. The Plan may not be amended in a manner that violates any provision of the Code.

Section 15.03. Distribution Upon Termination of the Plan. The University may provide that, in connection with a termination of the Plan, all Accounts shall be distributed, provided that the University on the date of the termination does not make contributions to an alternative Code Section 403(b) plan that is not part of the Plan during the period beginning on the date of Plan termination and ending 12 months after the distribution of all assets from the Plan, except as permitted by the regulations. For purposes of distributing all accumulated benefits under the Plan in the event of Plan termination, delivery of a fully paid individual insurance annuity contract shall be treated as a distribution.

ARTICLE XVI.
MISCELLANEOUS

Section 16.01. Non-Alienation.

(a) A Participant's Account under the Plan shall not be liable for any debt, liability, contract, engagement, or tort of the Participant or his or her Beneficiary, nor subject to anticipation, sale, assignment, transfer, encumbrance, pledge, charge, attachment, garnishment, execution, alienation, or any other voluntarily or involuntarily alienation or other legal or equitable process, nor transferable by operation of law.

(b) Notwithstanding paragraph (a), the Plan shall comply with any judgment, decree or order ("domestic relations order") which establishes the right of an alternate payee within the meaning of Code Section 414(p)(8) to all or a portion of a Participant's benefit under the Plan to the extent that it is a "qualified domestic relations order" ("QDRO") under Code Section 414(p). The Vendor shall establish reasonable written procedures to determine whether a domestic relations order is a QDRO and to administer the distribution of benefits with respect to such orders, which procedures may be amended from time to time, and which shall be provided to Participants upon request. Notwithstanding any other provisions in the Plan, the Plan may make an immediate distribution to the alternate payee pursuant to a QDRO.

(c) Notwithstanding paragraph (a), the Plan shall offset from the benefit otherwise payable to a Participant or his or her Spouse such amounts as are permitted to be offset under a court order, civil judgment, or settlement agreement in accordance with Code Section 401(a)(13)(C).

Section 16.02. Military Service.

(a) Notwithstanding any provisions of this Plan to the contrary, contributions, benefits, and service credit with respect to qualified military service shall be provided in accordance with USERRA, HEART, Code Section 414(u), and effective January 1, 2007, Code Section 401(a)(37). For purposes of this Section, "qualified military service" means any service in the uniformed services as defined in USERRA by any individual if such individual is entitled to reemployment rights under USERRA with respect to such service.

(b) A Participant whose employment is interrupted by qualified military service or who is on a leave of absence for qualified military service may elect to make Elective Deferrals upon resumption of employment with the University up to the maximum Elective Deferrals that the Participant could have elected during that period if the Participant's employment with the University had continued (at the same level of Salary) without the interruption or leave, reduced by the Elective Deferrals, if any, actually made for the Participant during the period of the interruption or leave. Except to the extent provided under Code Section 414(u), this right applies for the lesser of (i) five years following the resumption of employment or (ii) a period equal to three times the period of the interruption or leave. Such Elective Deferrals by the Participant may only be made during such period and while the Participant is reemployed by the University.

(c) Effective January 1, 2007, to the extent provided under Code Section 401(a)(37), in the case of a Participant whose employment is interrupted by qualified military service and

who dies while performing qualified military service, the survivor of such Participant shall be entitled to any additional benefit (other than benefit accruals) provided under the Plan as if the Participant timely resumed employment in accordance with USERRA and then, on the next day, terminated employment on account of death.

(d) Effective January 1, 2009, differential wage payments within the meaning of Code Section 414(u)(2)(D) shall be treated as Salary and Includible Compensation under the Plan.

Section 16.03. Limitation of Rights and Obligations. Neither the establishment nor maintenance of the Plan nor any amendment thereof, nor the purchase of any insurance contract, nor any act or omission under the Plan or resulting from the operation of the Plan shall be construed:

(a) as conferring upon any Participant, Beneficiary, or any other person a right or claim against the Administrator or University, except to the extent that such right or claim shall be specifically expressed and provided in the Plan;

(b) as a contract or agreement between the University, the Administrator, and any Participant or other person; or

(c) as an agreement, consideration, or inducement of employment or as effecting in any manner or to any extent whatsoever the rights or obligations of the University or any Employee to continue or terminate the employment relationship at any time.

Section 16.04. Federal and State Taxes. It is intended that Contributions other than Roth Contributions under this Plan, plus any earnings thereunder, are excludable from gross income for federal and state income tax purposes until paid to Participants or Beneficiaries, and that Roth Contributions and earnings thereunder are excludable from gross income for federal and state income tax purposes when paid to Participants or Beneficiaries to the extent that they are Qualified Distributions. However, the Administrator does not guarantee that any particular federal or state income, payroll, or other tax consequence will occur as a result of participation in this Plan.

Section 16.05. Erroneous Payments. If the Administrator or Vendor makes any payment that, according to the terms of the Plan and the benefits provided hereunder, should not have been made, the Administrator or Vendor may recover that incorrect payment, by whatever means necessary, whether or not it was made due to the error of the Administrator or Vendor, from the person to whom it was made, or from any other appropriate party. For example, if any such incorrect payment is made directly to a Participant, the Administrator or Vendor may deduct it when making any future payments directly to that Participant.

Section 16.06. Benefit Payment Issue Resolution. The Administrator, or its designee, if in doubt regarding the correctness of its action with respect to a benefit payment, may direct suspension of payment until satisfied as to the correctness of the payment or the person to receive the payment. Alternatively, the Administrator, or its designee, may file, in any state court of competent jurisdiction, a suit, in the form it deems appropriate, for legal determination of the benefits to be paid and the persons to receive them. The Administrator, or

its designee, may also bring a suit, or take other action as it deems appropriate, to resolve questions involving investment directions. The Administrator shall comply with the final order of the court in any such suit, and Participants and the Administrator shall be bound by such an order, insofar as it affects the benefits payable under this Plan, or the method or manner of payment.

Section 16.07. Release. Any payments to any Participant shall, to the extent thereof, be in full satisfaction of the claim of such Participant being paid thereby and the Administrator may condition payment thereof on the delivery by the Participant of the duly executed receipt and release in such form as may be determined by the Administrator.

Section 16.08. Liability. The Administrator shall not incur any liability in acting upon any notice, request, signed letter, telegram, or other paper or document believed by the Administrator to be genuine or to be executed or sent by an authorized person.

Section 16.09. Necessary Parties. The Administrator is the only party necessary to any accounting, litigation, or other proceeding relating to the Plan. The settlement or judgment in any such case in which the Administrator is duly served shall be binding upon all affected Participants in the Plan, their estates, and upon all persons claiming by, through, or under them.

Section 16.10. Information Provided by the Participant. Each Participant should provide to the Administrator at the time of initial enrollment, and later if there are any changes, any information necessary or advisable for the Administrator to administer the Plan.

Section 16.11. Family Medical Leave Act. Notwithstanding any provisions of this Plan to the contrary, Contributions and benefits with respect to qualified leave will be provided in accordance with the Family Medical Leave Act of 1993, 29 U.S.C. Section 2601 et. seq.

Section 16.12. Payments to Minors or Incompetents. If a Participant or Beneficiary entitled to receive any benefits hereunder is a minor or is determined to be legally incapable of giving valid receipt and discharge for such benefits by a court or by the Administrator, benefits shall be paid to such person as the Administrator may designate for the benefit of such Participant or Beneficiary. Such payments shall be considered a payment to the Participant or Beneficiary and shall, to the extent made, be deemed a complete discharge of any liability for such payments under the Plan.

Section 16.13. Missing or Lost Participants. In the event that the Administrator does not have current contact information for or is unable to identify a Participant or Beneficiary under the Plan, the Administrator shall make reasonable attempts to determine the address and identity of the Participant or Beneficiary entitled to benefits under the Plan. A reasonable attempt to locate a missing or lost Participant or Beneficiary shall include (i) providing notice to the Participant at the Participant's last known address via certified mail; (ii) determining whether the University's records or the records of another plan maintained by the University has a more current address for the Participant; (iii) attempting to contact any named Beneficiary of the Participant; and (iv) searching for the missing Participant via free electronic search tools, such as Internet search engines, public record databases, obituaries, and social media. If such search methods are unsuccessful, based on the facts and circumstances, the Administrator may use other

search methods, including using Internet search tools, commercial locator services, credit reporting agencies, information brokers, investigation databases, and analogous services that may involve charges. The Administrator may charge missing Participants and Beneficiaries reasonable expenses for efforts to find them.

Section 16.14. Indemnification. The University shall satisfy any liability actually and reasonably incurred by any members of the Board or any person to whom any power, authority or responsibility of the University is delegated pursuant to Section 13.03, except a Vendor or other service provider. These liabilities include expenses, attorney's fees, judgments, fines, and amounts paid in connection with any threatened, pending or completed action, suit or proceeding related to the exercise (or failure to exercise) of this authority. This is in addition to whatever rights of indemnification exist under the regulations or by-laws of the University, under any provision of law, or under any other agreement; provided, however, that the University will not satisfy any such liability to the extent that the person did not act in good faith.

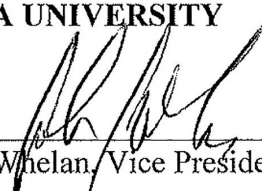

Section 16.15. No Reversion. Under no circumstances or conditions will any Contributions revert to, be paid to, or inure to the benefit of, directly or indirectly, the University, but shall be held for the exclusive purpose of providing benefits to Participants and their Beneficiaries and defraying the reasonable expenses of administering the Plan. However, if Contributions are made by the University by mistake of fact, these amounts and, if applicable, any interest earned therein, may be returned to the University within one year of the date that they were made.

Section 16.16. Finality of Determination. All determinations with respect to crediting of service under the Plan are made on the basis of the records of the University, and all determinations made are final and conclusive upon Employees, former Employees, Eligible Employees, former Eligible Employees, and all other persons claiming a benefit under the Plan.

Section 16.17. Counterparts. The Plan may be executed in any number of counterparts, each of which shall be deemed to be an original. All counterparts shall constitute but one and the same instrument and shall be evidenced by any one counterpart.

IN WITNESS WHEREOF, the University has caused this amended and restated Plan to be executed by its duly authorized representative as of the date written below, but effective as of January 1, 2020.

**THIRD AMENDMENT TO
INDIANA UNIVERSITY TAX DEFERRED ACCOUNT PLAN**

The Indiana University Tax Deferred Account Plan ("Plan"), as restated effective January 1, 2020, is amended as follows, pursuant to Section 15.01 of the Plan, effective January 1, 2022:

1. Section 9.07 of the Plan is amended in its entirety to be and read as follows:

Section 9.07. Required Distribution Rules.

(a) The provisions of this Section 9.07 take precedence over any inconsistent provisions of the Plan or of the Trust. All distributions under this Plan shall be made in accordance with a reasonable good faith interpretation of Code Section 401(a)(9), including the incidental death benefit rules under Code Section 401(a)(9)(G), Treasury Regulation Sections 1.401(a)(9)-1 through -9, the changes under the Setting Every Community Up for Retirement Enhancement Act of 2019 and the Coronavirus Aid, Relief, and Economic Security Act of 2020, as each may be amended from time to time, and any regulatory guidance issued thereunder.

(b) A Participant's Accounts shall be distributed to the Participant beginning no later than April 1 of the calendar year following the calendar year in which the Participant attains age 72 (70½ if the Participant was born before July 1, 1949) or, if later, April 1 of the calendar year following the calendar year that the Participant has a Severance from Employment.

(c) Notwithstanding anything to the contrary in this Section 9.07, if the Vendor(s) separately accounts for Contributions made prior to January 1, 1987, then distribution of such Contributions (but not any interest accumulated with respect thereto) need not commence until April 1 of the calendar year following the calendar year in which the Participant attains age 75.

(d) Upon the death of the Participant before distributions of his or her Account(s) begin under paragraph (b) or (c), the following distribution provisions shall take effect; provided, however, that such provisions shall be subject to any regulations or other guidance issued under Code Section 401(a)(9):

(1) If the Participant has no designated Beneficiary within the meaning of Code Section 401(a)(9)(E)(i), the Participant's Account(s) under the Plan shall be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(2) If any portion of the Participant's Account(s) are payable to a designated Beneficiary within the meaning of Code Section 401(a)(9)(E)(i), the Participant's Account(s) under the Plan shall be distributed by December 31 of the calendar year containing the tenth anniversary of the Participant's death.

(3) Notwithstanding subparagraph (2), if any portion of the Participant's Account(s) are payable to an eligible designated Beneficiary within the meaning of Code Section 401(a)(9)(E)(ii), the eligible designated Beneficiary may elect for the Participant's Account(s) to be distributed (i) by December 31 of the calendar year containing the tenth anniversary of the Participant's death, or (ii) beginning no later than December 31 of the calendar year immediately following the calendar year in which the Participant died, over the life of the eligible designated Beneficiary or over a period not exceeding the life expectancy of the eligible designated Beneficiary. If the eligible designated Beneficiary is the surviving Spouse, the Beneficiary may elect to delay payment under item (ii) until December 31 of the calendar year in which the Participant would have attained age 72 (70½ if the Participant was born before July 1, 1949). If the eligible designated Beneficiary does not elect a method of distribution as provided above, the Participant's Account(s) shall be distributed in accordance with item (i).

(4) Upon either (i) the death of an eligible designated Beneficiary before distribution of the Participant's entire Account(s) or (ii) the attainment of age 21 for an eligible designated Beneficiary who is a minor child of the Participant, subparagraph (3) shall no longer apply, and the remainder of the Account(s) shall be distributed under subparagraph (1) or (2), as applicable.

(e) If the Participant dies after distributions of his or her Account(s) begin under paragraph (b) or (c), any remaining portion of the Account(s) shall continue to be distributed at least as rapidly as under the method of distribution in effect at the time of the Participant's death and shall be subject to any regulations or other guidance issued under Code Section 401(a)(9).

(f) Any distribution required under the incidental death benefit requirements of Code Section 401(a) shall be treated as distributions required under this Section 9.07.

(g) Each Vendor shall be separately and solely responsible for complying with the provisions of this Section 9.07 with respect to its Investment Arrangements under the Plan. The Vendor shall calculate the amounts required to be distributed to a Participant under this Section and notify such Participant of such distributions at least 60 days prior to the date distributions must begin.

2. In all other respects, the Plan shall be and remain unchanged.
